

Magdalene Preschool Equality and Diversity Policy

Magdalene preschool is committed to taking positive and proactive steps to ensure that we provide a safe and caring environment free from discrimination for everyone in our community. We actively promote equality of opportunity, tolerance, fairness and anti-discriminatory practice towards all children, families, members of staff and volunteers.

We accept our duty to try to eliminate discrimination and to promote equality of opportunity and good race relations. All staff and children at the setting are entitled to an environment free from harassment and discrimination, as outlined in this policy.

We are open to children of all cultures, religions, linguistic backgrounds and abilities. All children are treated as individuals with equal concern, in order that they should feel equally valued regardless of their gender, disability, religion, nationality, ethnic or national origins. All staff work to encourage each child's self esteem and respect for others by promoting the positive values of diverse cultural identities through anti-racist activities and resources.

Magdalene preschool is aware that some children have disabilities/additional needs and we are proactive in ensuring that appropriate action be taken when such a child is identified or admitted to the provision. We are committed to taking appropriate action to make sure that all children are able to access our services, made to feel welcome, and that our activities promote their welfare and development in partnership with parents/carers and other relevant parties.

We are committed to the integration of all children with disabilities/additional needs and comply with the current Special Educational Needs (SEN) code of practice, the Special Educational Needs and Disability Act 2014, and the Disability Discrimination Act.

Magdalene preschool also believes that children with disabilities/additional needs have a right to play, learn and be able to develop to their full potential alongside other children.

We will do all we can to ensure children with disabilities/additional needs have access to the same facilities, activities and play opportunities as their peers. Everybody stands to gain if all children are allowed to share the same opportunities and are helped to overcome any disadvantages that they may face.

Our equal opportunities procedures aim to help everyone involved in the setting to counteract and eliminate both direct and indirect discrimination in decision making, employment practices and service provision and to ensure that our services strive to achieve equality of opportunity for all.

We will endeavour to challenge any offensive behaviour, language or attitudes with regards to race, ethnicity, nationality, class, religion, culture, gender, language, gender orientation and disability towards staff, parents/carers, children and visitors.

Complaints and challenges regarding our anti bias practice will be seen as a positive part of the settings development towards being an equal opportunity setting

We recognise that the active involvement of parents/carers in the development and monitoring of our Equality & Diversity policy is vital to its success as set out in the Partnership with Parents/Carers policy. As such, we will both welcome and encourage parents and carers to get involved in the running and management of the setting, and to comment on the effectiveness of its policies and procedures.

Policy Objectives:

- To ensure that all children attending the setting have equal access to activities that will support and extend their knowledge and experiences in all areas of learning and development

The manager will also be responsible for ensuring that the Equality and Diversity policy is implemented and that its effectiveness is regularly monitored. They will be responsible for ensuring that:

- Staff receive appropriate training and staff supervision

Our policies and procedures will be kept under review to ensure they do not operate in a discriminatory manner or in any way against our commitment to equal opportunities.

Identification of Children with Disabilities/Additional Needs and Support

We have an appointed member of staff as the Special Educational Needs and Disability Co-ordinator to manage provision for children with disabilities/additional needs. This individual is fully trained and experienced in the care and assessment of such children.

All staff are responsible for identifying children's needs and supporting their learning. Any concerns will be discussed with the SENCO in consultation with the parent/carers.

All members of staff will also be expected to assist the Special Educational Needs and Disability Co-ordinator in caring for children with disabilities/additional needs.

The child's key person is responsible for maintaining observations, record keeping and assessments of a child's progress in all areas of learning and development. It is also their responsibility to identify any areas of additional needs and inform the SENCO.

Detailed records of progress are maintained by the Key Person working closely with the Special Educational Needs and Disability Co-ordinator. Regular progress/tracking reviews will be made.

Detailed and accurate observations, tracking and assessments of children's progress are regularly made and properly recorded.

Staff work together with parents/carers as partners to give day to day care for the child. Parents/carers will be given support by the staff team. Parents/carers are consulted on a continuous basis and information exchanged regarding their child's progress.

All children will be treated as equals and are encouraged to participate in every aspect of the setting.

All children will be involved in the daily activities eg: outdoor play.

Wherever possible we will promote positive images of those with disabilities/additional needs.

We will ensure that all staff are aware of all legislation, regulations and other guidance on working with children with disabilities/additional needs.

Children with disabilities/additional needs are fully considered when activities are being planned and prepared.

We will liaise with other agencies and seek advice, support and training for all staff as is necessary.

Preventing Racial Harassment and Discrimination

Proactive steps can be taken to prevent racial harassment and discrimination, and we believe that this is more effective than tackling a situation once it has already occurred. Therefore, alongside the procedures outlined later in this policy to deal with incidents of racial harassment and discrimination, the setting will:

- Ensure that all children are valued, irrespective of their race, colour, nationality or ethnicity.
- Encourage individuals to treat each other with respect, regardless of their race, colour, nationality or ethnicity.
- Acknowledge the existence of racism in society and take steps to promote harmonious race relations in our community.

- Promote good relations between different ethnic groups and cultures within the setting and in the wider community.
- Ensure that different cultural and religious needs are met, understood and communicated to all individuals involved in the setting.

Examples of Racial Harassment and Discrimination

Racial harassment and discrimination can manifest itself in a variety of ways, some overt and others much less so. Some examples of unacceptable behaviour include:

- The use of patronising words or actions towards an individual for racial reasons, including name calling, insults and racial jokes.
- Threats made against a person or group of people because of their race, colour, nationality or ethnicity.
- Racist graffiti or any other written insults or the distribution of racist literature.
- Physical assault or abuse against a person or group of people because of their race, colour, nationality or ethnicity.

All staff and children will be encouraged to take responsibility for promoting racial tolerance and for protecting each other from racial harassment and discrimination by reporting any suspected incident to the manager or another responsible person.

Magdalene preschool as an Employer

As an employer, we are committed to ensuring that the workforce reflects the multicultural community that it serves. We will:

- Advertise job vacancies in a variety of media sources and outlets and in a variety of places.
- Investigate any allegation of racial discrimination or harassment according to the provisions of the Staff Disciplinary Procedures, Equality and Diversity and Behaviour Management policies.
- Collect and monitor information about the ethnic background of the staff team and children.

Addressing Racial Harassment and Discrimination

If a member of staff or a child becomes aware of an incident of racial harassment or discrimination occurring at our setting, they will be encouraged to report the incident to the manager or other senior member of staff.

Any allegation made against a member of staff or a child will be investigated thoroughly. The individual concerned will be told that such behaviour will not be tolerated at our setting, and that steps will be taken to ensure that it does not happen again.

Each incident will be fully investigated and details will be recorded in a separate section of the Incident Record Book.

In the case of **children**, incidents will be reported to their parent/carer and a course of action agreed upon to resolve the situation, in accordance with the provisions of the Behaviour Management policy; however, if a solution cannot be found, then the setting may have to inform the child – and their parent/carer – that they are no longer able to attend sessions at our setting and their name removed from the register.

In the case of **staff**, provisions within the Staff Disciplinary & Grievance Procedures policy will be activated and a record of the incident will be kept and made available to statutory authorities if appropriate.

The manager is responsible for ensuring that all incidents are handled both professionally and sensitively. All incidents will be kept confidential, with initials being used in the place of names in the Incident Record book. In cases where the manager is involved in an allegation, the Registered Person will handle the incident, or nominate a senior member of staff in their place.

In all cases, continued racial harassment or discrimination from any individual will result in exclusion from the setting, where all other efforts have failed to provide a satisfactory resolution.
