

Magdalene Preschool

Lunch club policy

At Magdalene preschool, we believe that Healthy Eating and good nutrition is essential for health and effective learning.

You must not send **nuts in any form** such as packs of nuts, peanut butter, nutella etc. or popcorn or sweets and chocolate bars or fizzy drinks, fruit wind up's etc

Please cut up food into safe bite sizes for example; grapes, cherry tomatoes into halves, vegetables into stick shapes.

Please provide cutlery for your child if they need it.

If your child is staying at preschool all day, please provide your child with a named water bottle.

If you are sending your child in with warm food, it must be in an appropriate vessel such as a thermos flask.

Children will wash their hands and sit at the lunch table together. Staff sit with the children to support and monitor.

We will encourage the children to eat their lunch. We will return uneaten food into the lunchbox so that you know what has been eaten.

You will be given a bill in advance for the days you have booked at a cost of £6.50 per day. If your child is absent, you will still be required to pay for the place.

One full months' notice must be given if you wish to withdraw your child from lunch club. If the notice period extends into a school holiday you will still be charged for a full 4 weeks fees.

Lunch club runs on Mondays, Tuesdays, Thursdays and Fridays.

Children who are eligible for 30 hours funding do not pay for lunch.

All staff have food hygiene certificate. Staff have paediatric first aid training.

We have a choking policy which is reviewed regularly.
